## Project Management & Building Notice Assistance

From time to time commercial and multi-residential developments may be issued Building Notices' or Building Orders from their local authority. Many owners and managers simply do not have the resources, time or experience to action the requirements of the notices under the strict timelines.

Mabi Services offers competitively priced project management services to liaise between the Owners/Councils/Contractors in order to develop a scope of works, obtain suitable quotations, and liaise with professionals regarding permits and documentation ensuring that the works are completed as per the required scope and council demands.

Our experience in the building permit, documentation and approval process give us an advantage in managing all stages of the project.

Outsourcing the management of the building notice/order will free up time for the property manager to focus on their core business and rest assured that the requirements of the building notice/order are being dealt with in a timely manner by our experienced professionals.

Our certifications include:

- Registered Building Practitioners
- Master Builders Assoc. (Vic) Members
- Strata Community Sponsors
- Class B Asbestos Removal Accredited
